

BRAZILIAN FLOWERS

Brazilian Flowers
drawn from Nature
in the years 1880-1882
in the neighbourhood of
Rio de Janeiro,
viz
Larangeiras, Tijuca, Paqueta, Petropolis,
many of the specimens gathered in primeval forests.

E. H. N. (London)
Coombe Croft, - 1893.

Index.

Leguminosae

1. *Peinciana* regia
2. *Bankinia* maculata
3. *Mucuna*
4. *Erythrina*
5. *Erythrina*
6. *Erythrina*

Orchidaceae

7. *Lulia* crapa
8. *Stanhopia* gravichens
9. *Oncidium* pratense
10. *Oncidium* divaricatum
11. *Burlingtonia* decora
12. *Zygopetalum* macellare
13. *Cattleya* Seppeldi
14. *Altunia* Howsii
15. *Cirrhia* tristis
16. *Epidendrum* ellipticum
17. *Epidendrum* odoratissimum
18. *Brassavola* Poinii

Bombacae

19. *Bombax* pubescens

Convolvulaceae

20. *Sponera* herosfolia

Malvaceae

21. *Hibiscus* rosa sinensis
22. *Fugosia*

Acanthaceae

23. *Thunbergia* laurifolia
24. *Heracensis* mysorensis

Apocynaceae

25. *Vinea* major
26. *Plumieria* rubra
27. *Beaumontia* grandiflora

Myrtaceae

28. *Eugenia* malaccensis
29. *Eugenia*
30. *Metrosideros* floribunda
31. *Grumijama*
32. *Calothamnus*

Liliaceae

33. *Amaryllis* hippocastum
34. *Amaryllis* calypttratum

Scitamineae

35. *Alpinia* nutans
36. *Hedychium* coronarium

Musaceae

37. *Heliconia* angustifolia

Cactaceae

38. *Cereus* grandiflorus

Helastomaceae

39. *Lasiandra (Moroia) dogans*

Aristolochiaceae

40. *Aristolochia* brasiliensis

Crassulaceae

41. *Pegophyllum* calycinum

Solanaceae

42. *Atropa (Mianum) belladonna*

Bromeliaceae

43. *Tillandsia* psittacina

Scitamineae

44. *Gulathia*
45. *Ganna*

Viburnaceae

46. *Alfredodendron*

Rubiaceae

47. *Psychotria*

Asclepiadaceae

48. *Cryptostegia*

49. *Petrica* volubilis

50. *Combretum*

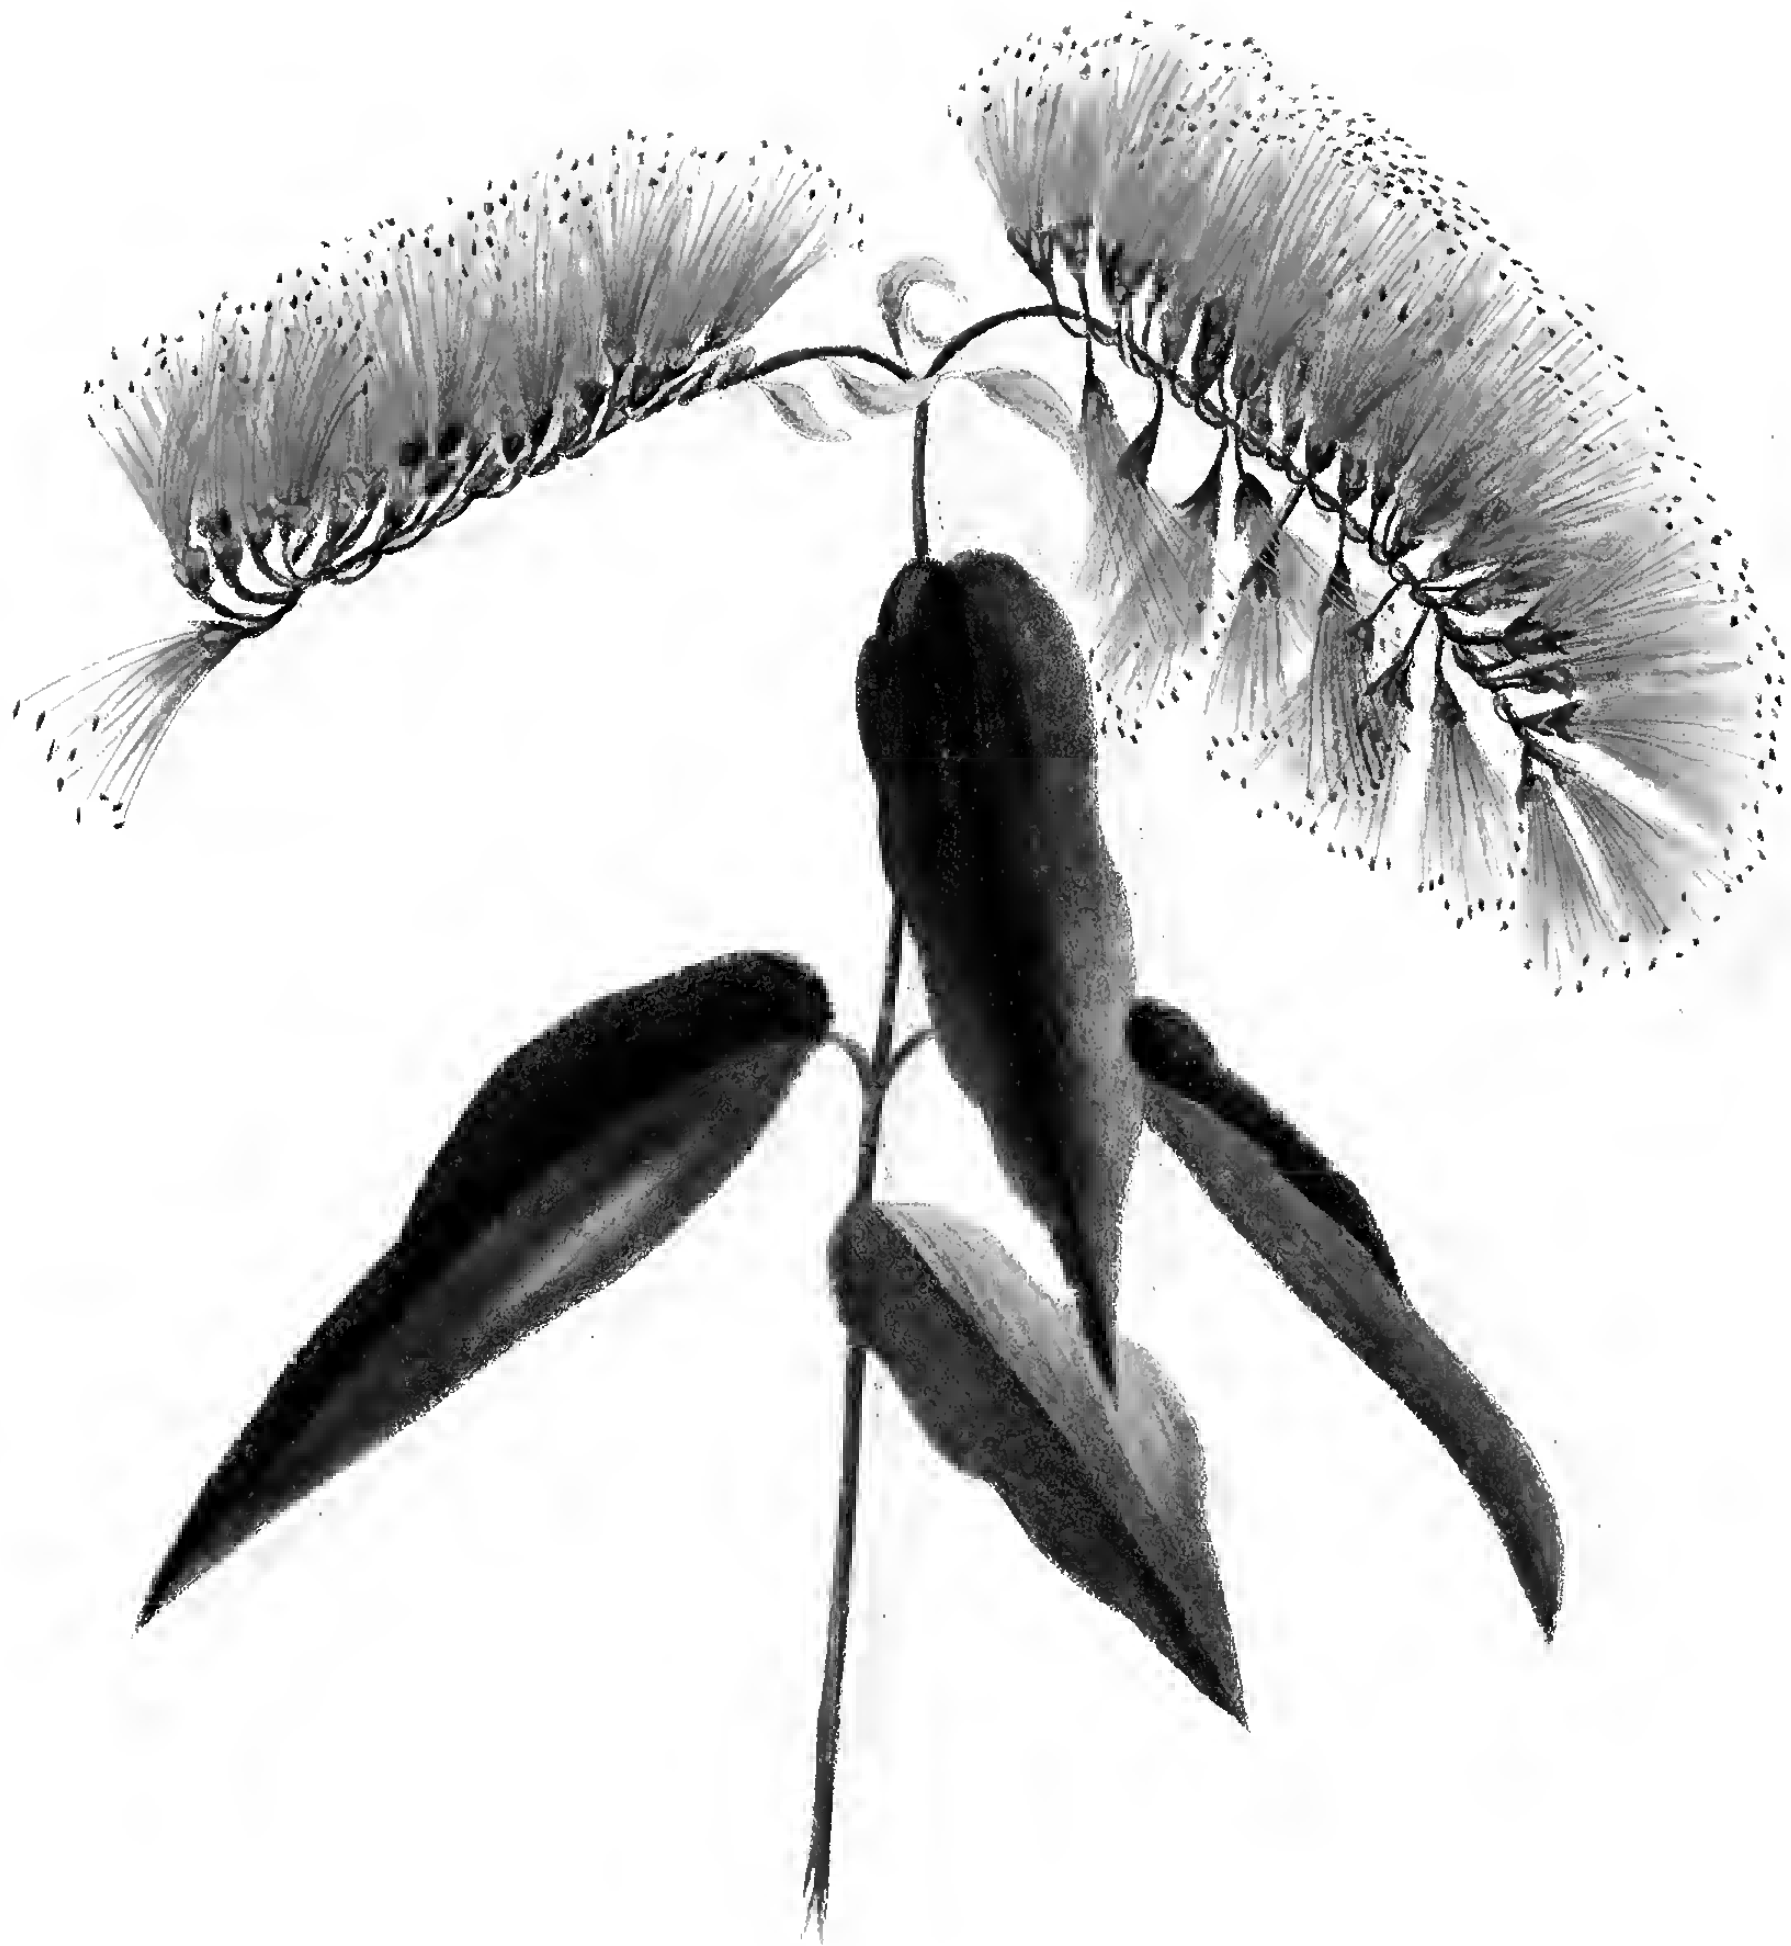

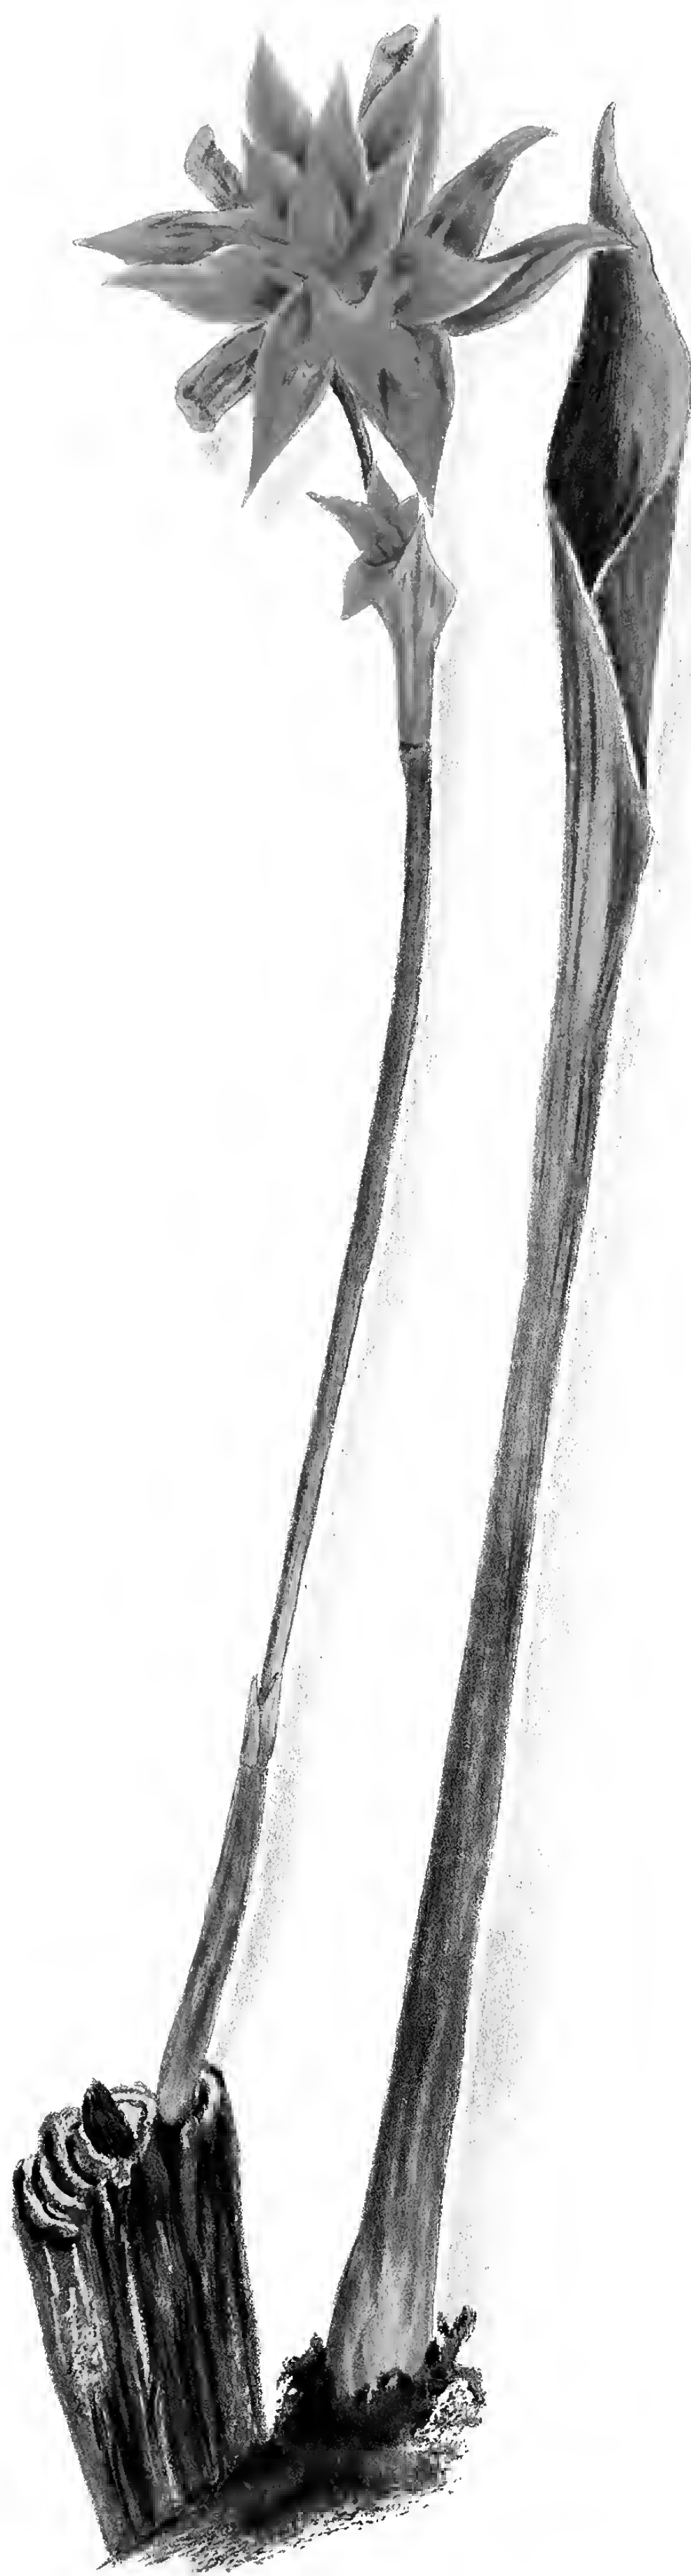

ARISTOLOCHIA.
BRASILIENSIS

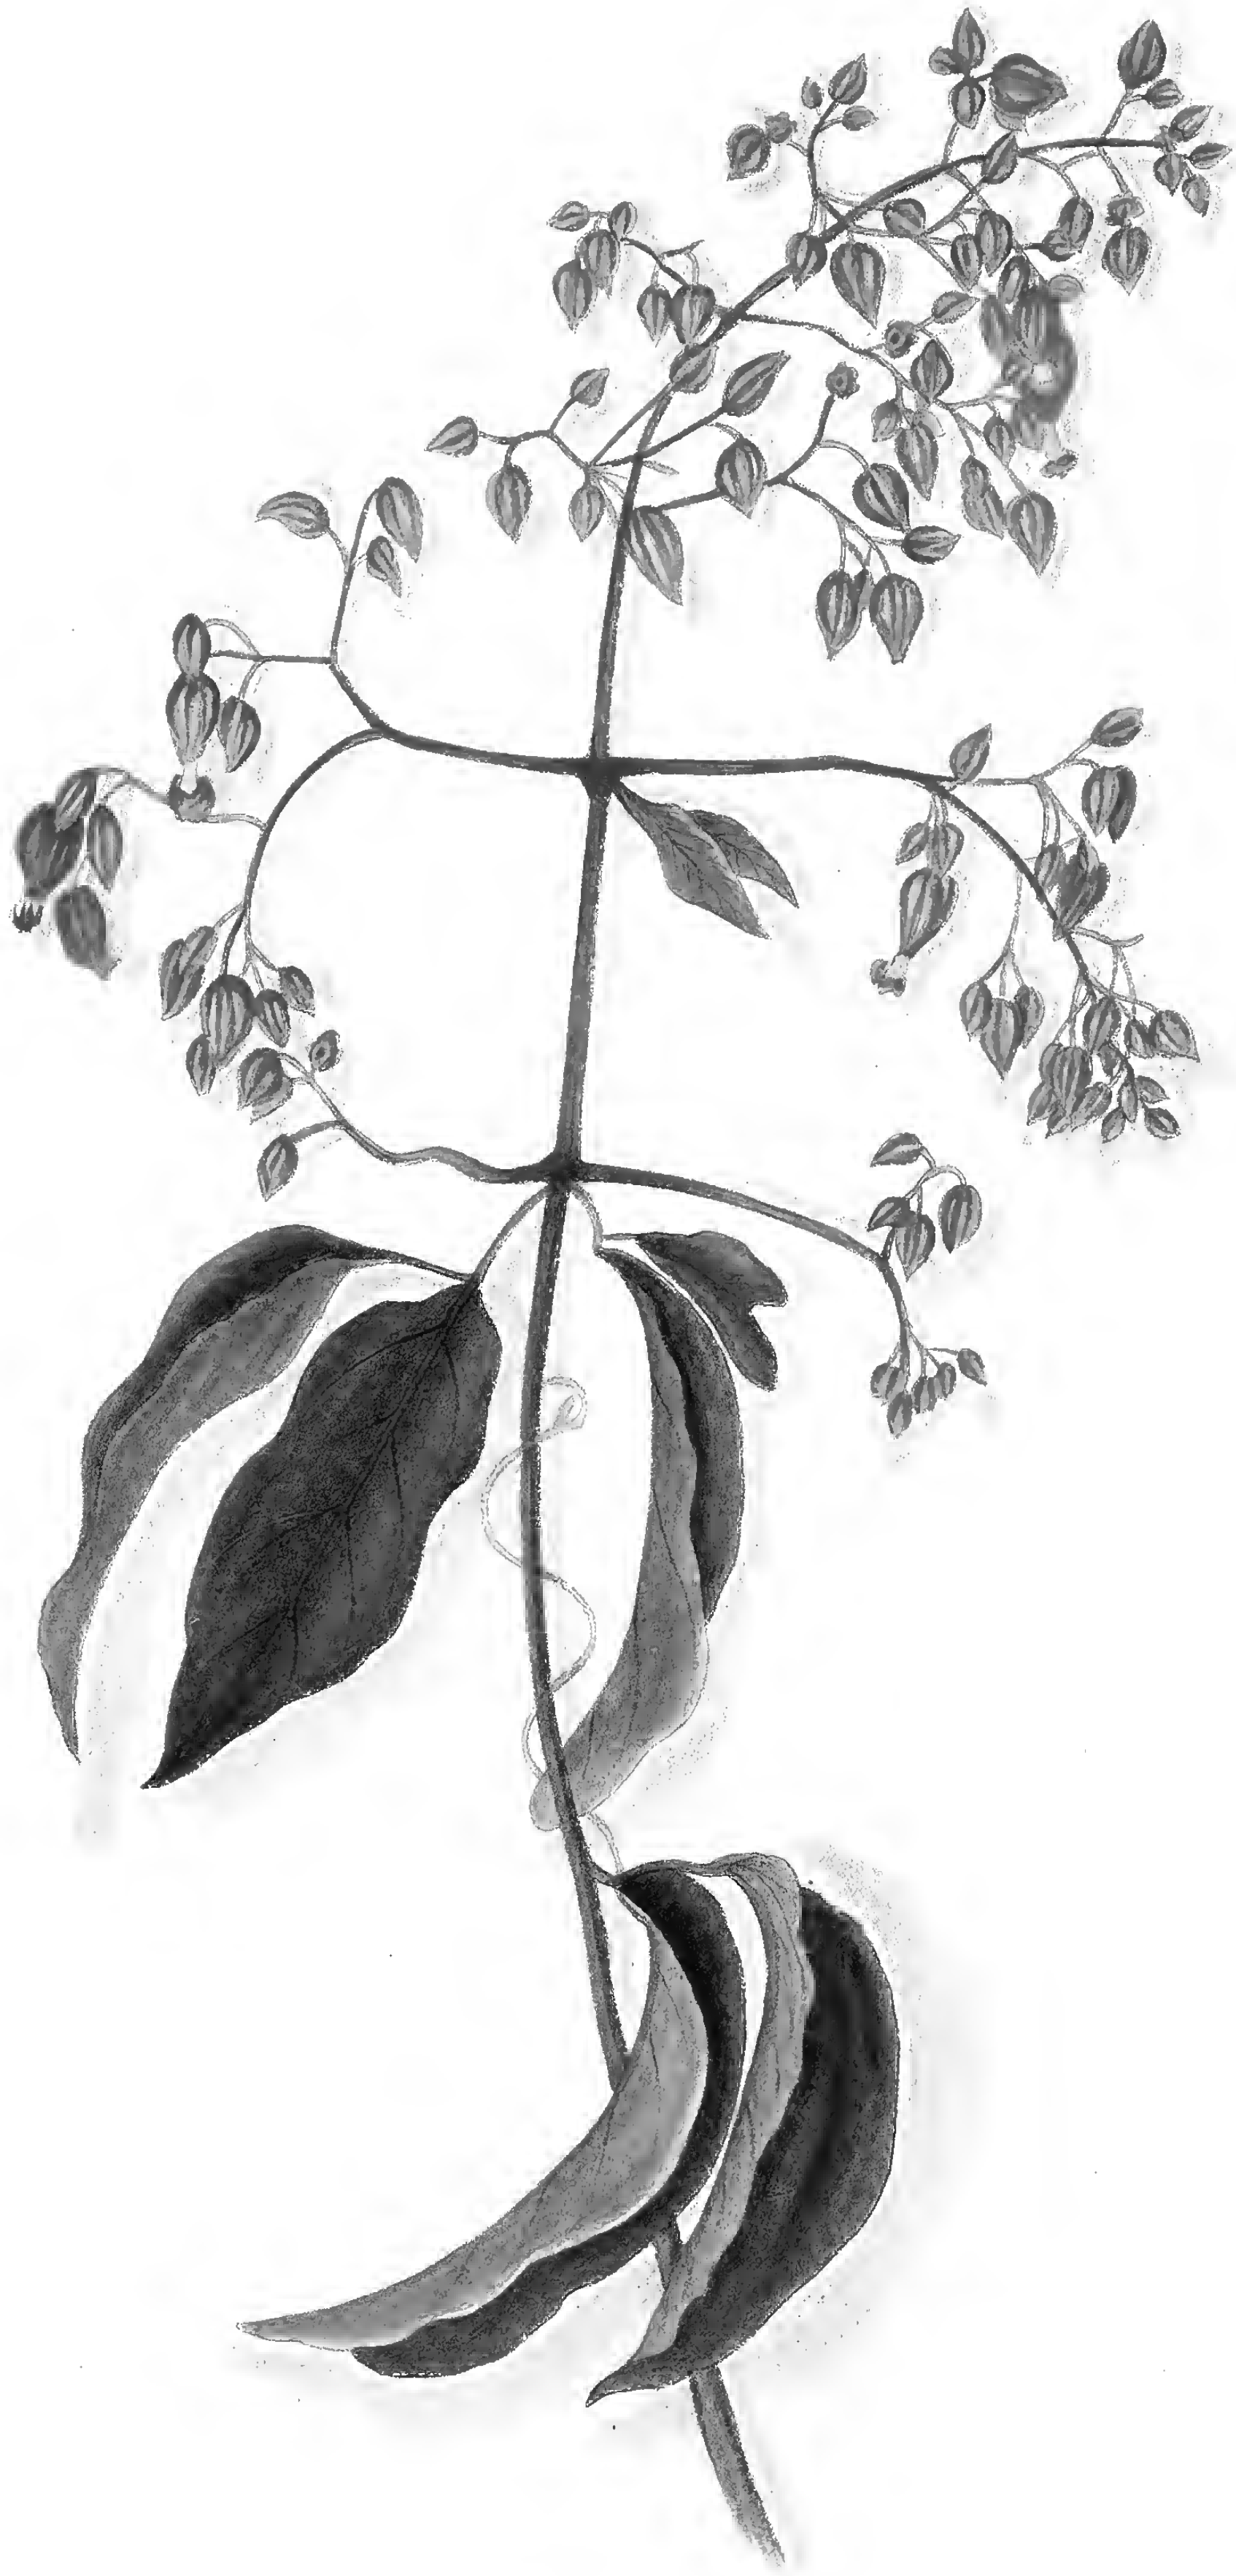

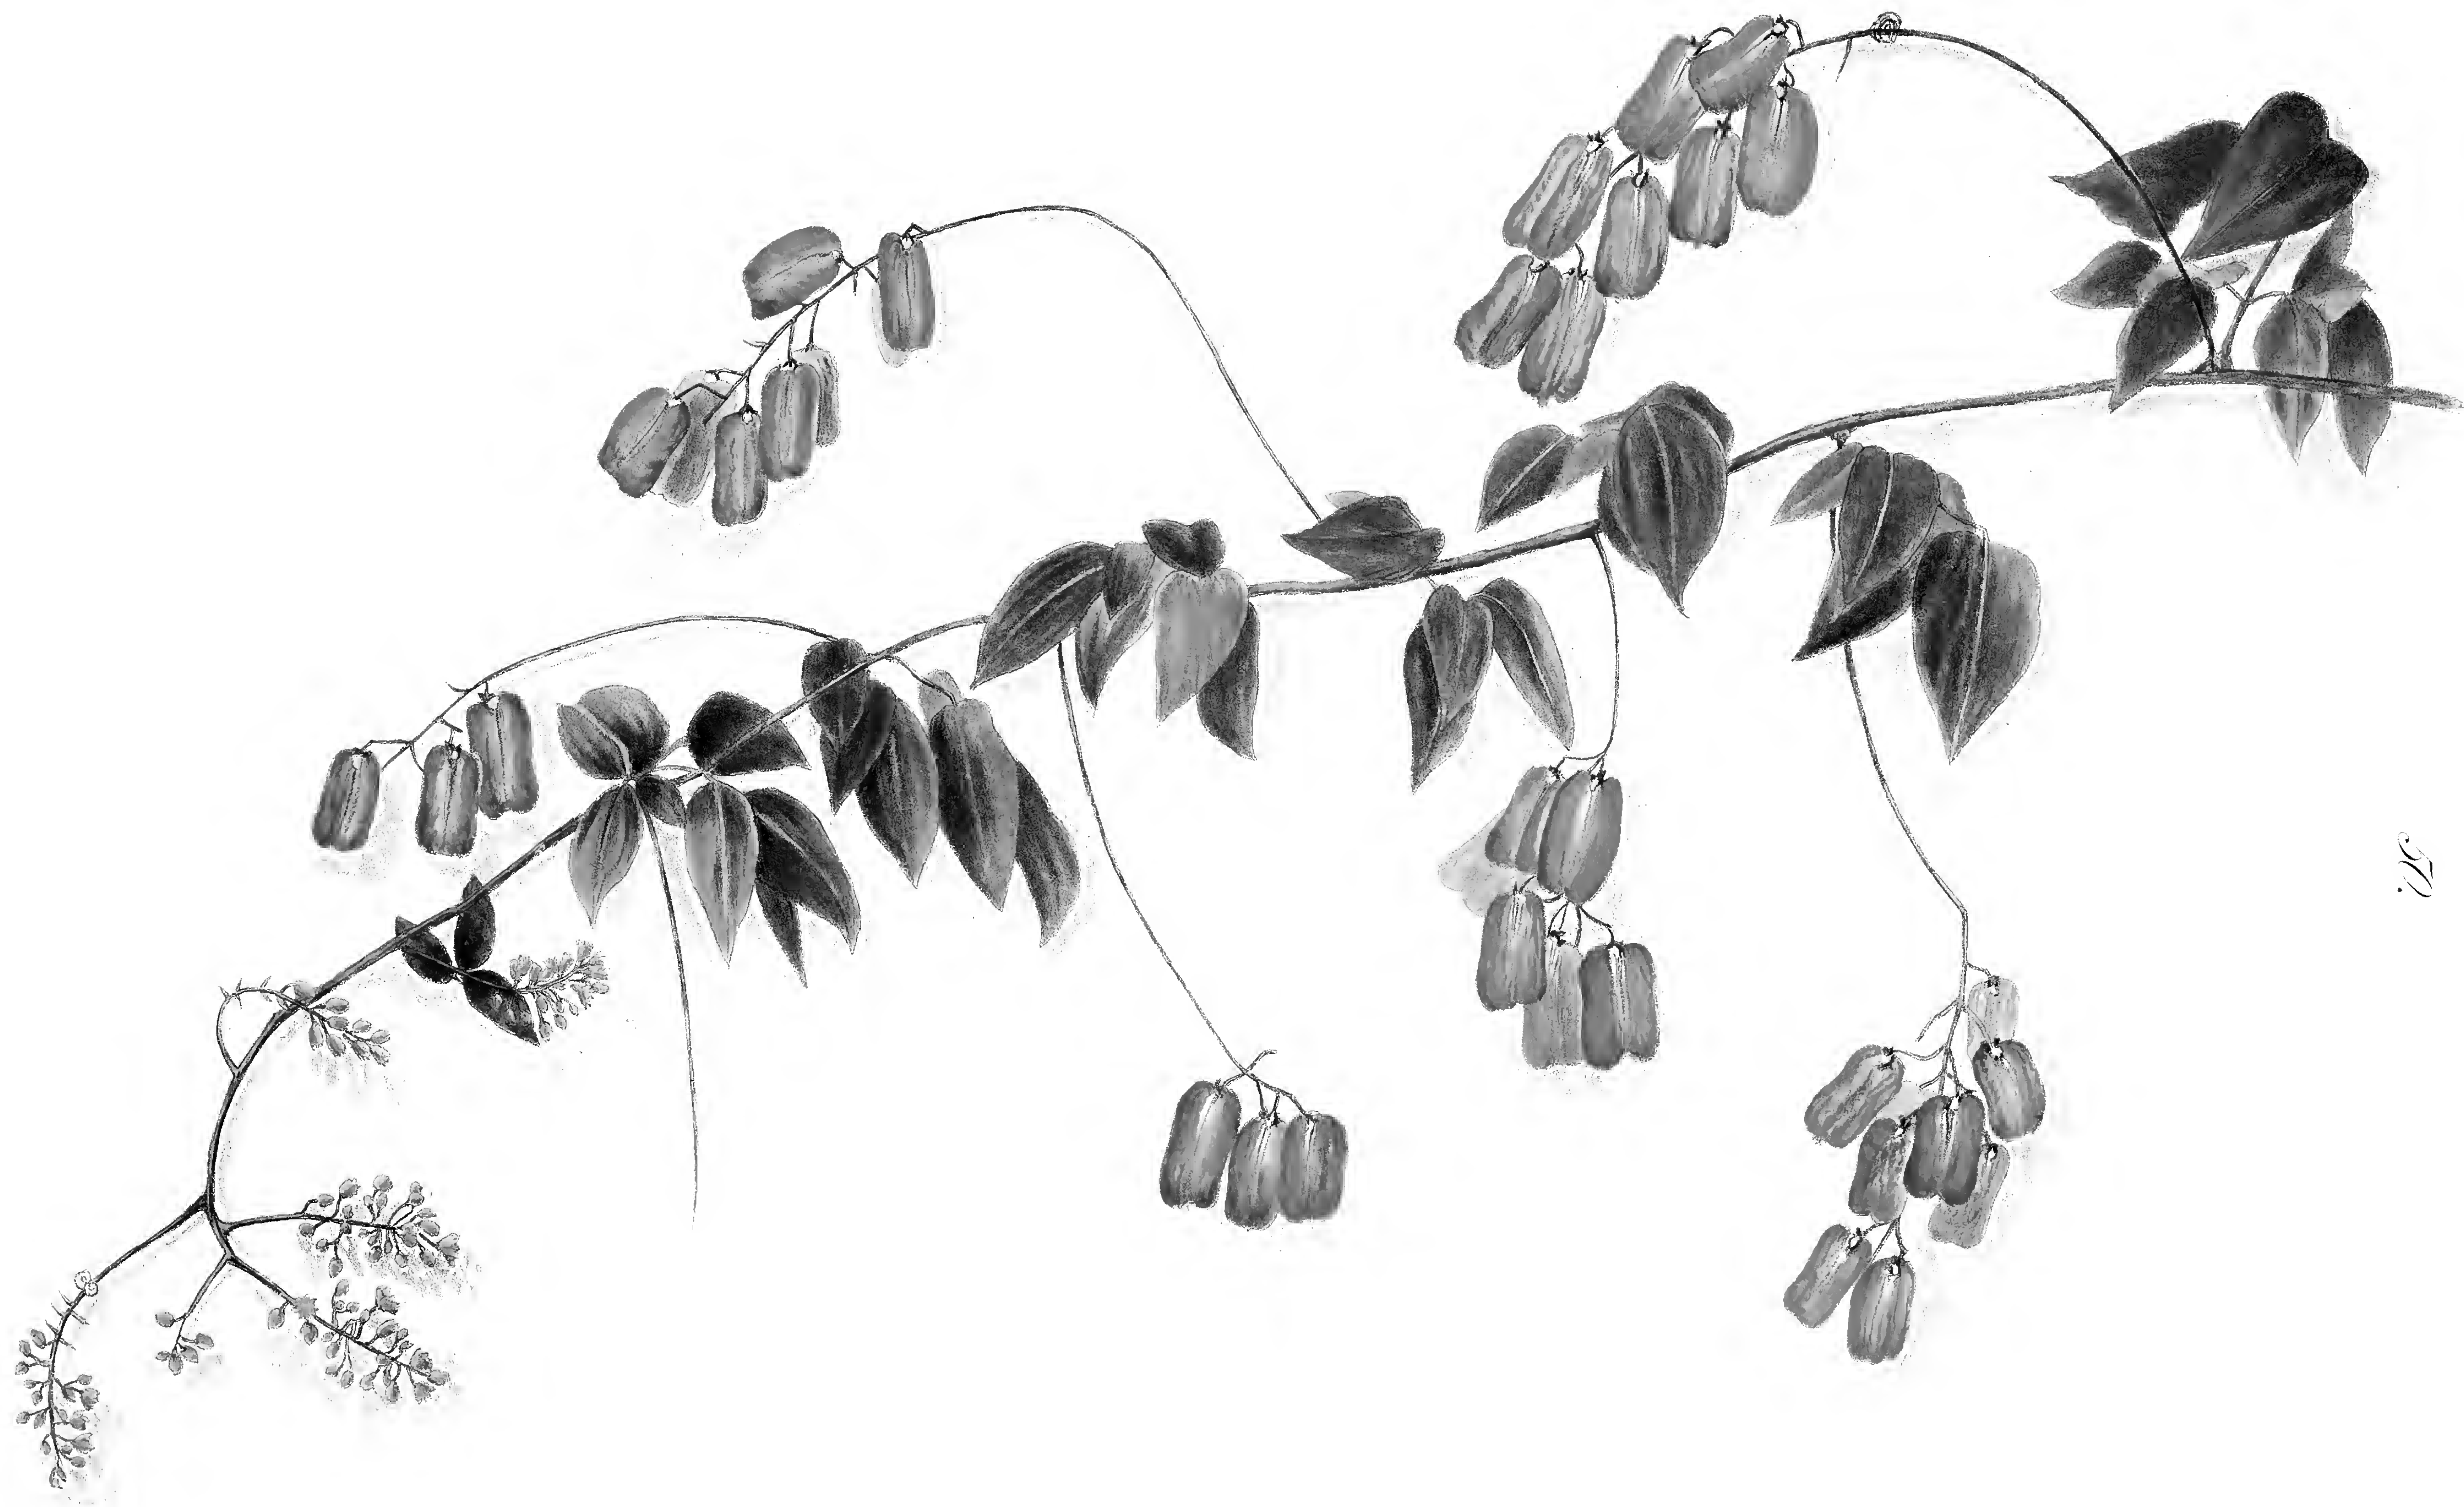

57.
